The One System software

Beauty Salons & Spas

Gives you full control over every part of your business — from accounting and inventory to SMS messaging and memberships. Built specifically for beauty centers, hair salons and spas.

Main modules

Bookings & Appointments
Define services and staff, schedule appointments, register programs and memberships, issue invoices and collect payments.

Point of Sale (POS)
A fast cashier supporting cash and credit sales, invoice printing, barcodes, discounts and daily closing.

Inventory & Warehouses
Every stock operation: purchases, sales, transfers, issue and receipt notes, quotations, purchase orders, stocktaking and adjustments.

Accounts
Receipt and payment vouchers, journal entries, general ledger, trial balance, account balances, revenue & expense analysis and final accounts.

HR & Payroll
Complete employee records including residency and salary payment methods, plus branches, departments and the company trade license.

Alerts & Warnings
Smart alerts for staff and management on important events, so tasks get done on time and violations are avoided.

Fingerprint Integration
Integrates with a wide range of fingerprint devices to record attendance and track working hours automatically.

SMS & WhatsApp
Professional integration with the Meta platform for SMS and WhatsApp: appointment confirmations, invoices, offers and attendance alerts.
