The One System software

Ready-Mix Concrete

Easy-to-use software that records all financial transactions, including receipt vouchers, payment vouchers and journal entries. Built specifically for ready-mix concrete production and supply companies.

Main modules

Trucks & Supply
Manage trucks and drivers, supply orders, delivered quantities and the cost per cubic meter.

Inventory & Warehouses
Every stock operation: purchases, sales, transfers, issue and receipt notes, quotations, purchase orders, stocktaking and adjustments.

Accounts
Receipt and payment vouchers, journal entries, general ledger, trial balance, account balances, revenue & expense analysis and final accounts.

HR & Payroll
Complete employee records including residency and salary payment methods, plus branches, departments and the company trade license.

Alerts & Warnings
Smart alerts for staff and management on important events, so tasks get done on time and violations are avoided.

Fingerprint Integration
Integrates with a wide range of fingerprint devices to record attendance and track working hours automatically.

SMS & WhatsApp
Professional integration with the Meta platform for SMS and WhatsApp: appointment confirmations, invoices, offers and attendance alerts.

Real-time Reports
150+ analytical reports on sales, attendance, revenue & expenses, staff performance and year-over-year comparisons.
